2020 TENNESSEE DIVISION REUNION & OFFICER INFORMATION

Captain David Neff and his son, 2nd Lt. James Knox Polk Neff of Carter's 1st Tennessee Cavalry. Captain Neff enlisted with the 43rd TN in 1861 with his 3 sons. After their enlistment was up they joined with Thomas' Legion, but were transferred to the 1st TN in November 1862. Capt. Neff was captured in Kentucky in March 1863 and sent to Ft. Delaware.

2nd Lt. Neff fought throughout the war and after Lee's surrender at Appomattox he made his way from Virginia toward home in Dandridge, TN, but somewhere near the "mouth of Limestone" in Upper East TN on April 21, 1865, he was brutally murdered by Lincolnites. He was only 22 years old.

"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish."

Lt. General Stephen Dill Lee, UCV Commander General

Joined SCV Under: Private Levi Marion Kilgore
Co. C, 28th Tennessee Cavalry

What message do you have for the members of the Division?

I am Joey Nolan, the newly elected Commander of the Tennessee Division, Sons of Confederate Veterans. I embarked on my journey with the SCV in 2003. At that time, I never conceived of one day becoming Commander of the Tennessee Division. Since then, I have grown with the organization by serving as camp and brigade commander. Through the years, I've had the privilege of meeting and forging friendships with like-minded men who are dedicated to preserving and promoting their Southern heritage. As Commander, I do not take my role lightly. I pledge to serve the organization by honoring our Confederate ancestors, working together to preserve the memories of our ancestors, and ensuring that our Confederate heritage endures for future generations. As your Division Commander, I will lead the charge. Together we can strengthen the Sons of Confederate Veterans and grow the organization.

Respectfully, your servant in preserving Southern heritage,

Joey Nolan, Commander
Tennessee Division
Sons of Confederate Veterans

What are your goals for your upcoming term in office?

Work to provide the Tennessee Division with a voice in Nashville. Political Action Committees can influence legislators and legislation in Nashville with the aide of lobbyists. While the SCV cannot be affiliated with such groups, individuals who are residents of the state of Tennessee can!

What message do you have for the members of the Division?

WE WILL PERSEVERE!!!

Col. Jeffrey Forrest Brigade Adjutant

Camp Commander, John B. Ingram Camp 219

What are your goals for your upcoming term in office?

My goals are simple. Honor the Confederate Soldier and carry on his good name. I will also operate the office of 2nd Lt. Commander with honesty, integrity, & professionalism. I desire to continue to help lead and grow the TN Division and the SCV. Let's continue to carry the Charge together.

What message do you have for the members of the Division?

We live in a time when it seems everything that is good is under attack. Let me encourage you with this verse of scripture, found in Galatians 6:9, "And let us not be weary in well doing: for in due season we shall reap, if we faint not". We are in the right. Not only must we defend our Southern History and our Confederate Ancestors, we must be on the offensive. We must continue to share the true history of our ancestors. Let's continue to develop new ideas to be relevant in this modern day, all while holding true to our roots. We must continue the strong stand we have taken.

FORREST REVOLVER

1851 Colt Navy .36 Revolver

*A Historic Revolver Honoring the Greatest Cavalry
Commander of the Confederacy*

**"I just get there first with the most."
- General Nathan Bedford Forrest, CSA**

The Legendary Model 1851 Navy Revolver

For this important Forrest Reinterment, Statue Unveiling, and Forrest's 200th Birthday events, the N. B. Forrest Camp 215 has commissioned the same revolver that Forrest himself trusted in battle: the Model 1851 Navy. Forrest personally carried three of these. Regarded as one of the most important firearms in American history, the 1851 Navy revolver was first crafted by Samuel Colt in 1850. The pistol was so well designed and constructed, it was no surprise that once war broke out between the states, the 1851 .36 caliber Navy became one of the most coveted weapons on the battlefield. Bedford Forrest purchased 500 of these revolvers to equip his first cavalry regiment, the 3rd Tennessee Cavalry.

Each Forrest Tribute Revolver is a meticulously detailed re-creation of the legendary Colt Navy Revolver, created by the incomparable artisans of Pietta Firearms. For decades, their craftsmen have combined modern high-grade materials with time-honored methods of finishing to create exquisite, working reproductions of history's greatest firearms. The N. B. Forrest Camp 215, Sons of Confederate Veterans, has partnered with Pietta and Baron Technology Engraving to create the **first-ever General N B Forrest revolver**. These revolvers are engraved with a portrait of Forrest, his battleflag, and his motto: "First With the Most", and an etching of the Forrest Equestrian Monument. Walnut grips, with case-hardened steel, and 24k gold trigger guard and backstrap, 24-karat gold engraving. Edition limited to 200 revolvers.

Own one of the finest tribute revolvers ever made.

What are your goals for your upcoming term in office?

I want to see the Division flourish and all of our members, Camps, Brigades, and the Division be on the same page with information and communications. It is vital that we all take a step forward into the 21st Century and stop using outdated and useless means to keep up with an ever changing world. We cannot operate this Division using the flags like the signal corps of old. Email, Facebook, Twitter, and other means of social media and communication are how we reach the new generation and how we fight against those who would see us destroyed. Our Confederate Ancestors and the future depend on it!

VISITORS CENTER AT THE
NATHAN BEDFORD FORREST HOME
IN CHAPEL HILL, TENNESSEE.
“FORREST HALL”**

The Sons of Confederate Veterans acquired the Nathan Bedford Forrest boyhood home in 1995 from the state of Tennessee. Since that time the cabin and out buildings have been restored and the grounds have been made immaculate due to the hard work and dedication of many SCV members, especially the Director Gene Andrews. With all of the attacks on our Confederate Heritage and especially General Forrest, it is time for us to have the Forrest home available during regular hours for tours and other events. This is where the idea for Forrest Hall originated, it's time to "Charge em' both ways"!

Once completed, Forrest Hall will be a 5,000 square foot building with a visitors center that includes a museum and gift shop, restrooms and a kitchen area as well as an events center for meetings, special events and weddings. The projected cost is \$500,000 with a completion date of July 2024. If you are ready to "Ride with Forrest" donate today! Everyone should try to at least be at the Forrest's Escort level!

“Speaking of the Devil”

Thoughts from the Editor

Compatriots and Friends of the Tennessee Division,

I hope this special edition of the Escort finds you in good health and good spirits! It was good to see several of you at the Reunion in Tracy City at the end of August. I believe everyone enjoyed themselves at the Reunion and it was good to finally have it! After the postponements, I was kinda getting discouraged. I hope we can all appreciate the work that the General John Hunt Morgan Camp from Greeneville put in to the Reunion before it had to be moved. Also let us thank the Cumberland Mtn. Rifles Camp for being able to step up and host the Reunion.

As for this edition of the Escort, I had been thinking about doing it for a while and with the postponements of the Reunion, it became essential to do this edition to give an opportunity to the new Brigade Commanders to get acclimated to their office and get out to their respective Camps. With that being said, expect the Fall edition of the Escort to be in your email box the first or second week of October.

In this edition, you will find pictures to go with the names of the officers of the Tennessee Division. I thought this would be a good idea for those who may be new or old members to know who represents them at the Division level. It is one thing to see a name and email address, but having a visual

representation of the person helps to be able to make more of a connection to who they are. You will also see short biographical information about the officers, if I was able to get it at the Reunion or after. Once again, just a way for you as a member of the Division to know the officers better.

Lastly, I would like to encourage the membership to be active with contributing to the Escort! We have so many members who can contribute to our new sections that were seen in the last edition. Ancestor profiles and Lesser Known Fields of Glory will be greatly helped by your contributions! If you have any contribution in written form, I will do all I can to put it in! The deadline for submissions for the Fall Edition will be October 1st.

Your Servant to the Cause,

Editor

Joshua F. Cameron
